## Powered by Disc Connection

Version 1.3

Release: 18<sup>th</sup> October 2025

## Welcome

*Welcome to Okthrowberfest 2025, one of Mundaring's favourite annual battles!*

*This year's event features two rounds across our twin championship layouts — the World Course and the Original Course. It also doubles as the Mundaring Club Championships, so expect some serious local bragging rights on the line.*

*Sharpen your drives, dial in your putts, and get ready for a day of tight lines, tough choices, and plenty of friendly banter. Okthrowberfest has built a tradition of fierce but fun competition, and 2025 will be no exception.*

*So grab your most trusted discs, bring your best attitude, and join us for a Sunday that celebrates everything great about disc golf in the Hills.*

***Thank you to Jason McCormick, Sue Summers, Blake Houston, Gary Paul, and Rick Penlington. You have shown what community means.***
